

JOIN THE LOCAL CHAPTER!!!

The **National Capital Area Chapter of the Gesneriad Society** meets several times a year, usually (but not always) at 10:00 a.m. on the second Saturday of the month at the U.S. National Arboretum in Washington, DC. We present a show approximately every 18 months, and issue an online newsletter, *Petal Tones*. For meeting location and details, visit our website at <http://www.nationalcapitalgesneriads.org>.

Annual membership is only \$10 per household*

* If you are joining at the end of the year, please inquire about prorating the membership fee.

Joining the group is a great way to increase your collection of plants, learn more about the gesneriad family and how to grow them, and to meet other local residents with similar interests.

Meetings generally begin with a presentation or talk on a topic such as propagation, or a species such as *Streptocarpus*, followed by an informal lunch and the very popular raffle table where almost every person purchasing a ticket gets at least one plant from the table. Individuals considering membership are welcome to attend a meeting before joining.

Raffle Table

When your application is processed, we will send you an email confirming that you have been added to our members' email list. If you don't hear from us, please send an email to dcgesneriads@gmail.com.

-----NEW MEMBER FORM-----
